

2019 SENIOR YEARBOOK PHOTO REQUIREMENTS

As is the tradition at Tyrone, each senior is asked to submit **two photos** to the yearbook by **December 3, 2018**. We need:

- one senior photo
- one baby/childhood photo

In the past we have taken senior formal photos at the school to use as the featured senior photo in the yearbook. This year the yearbook staff has decided to change the senior photo requirement in order to allow seniors to use **their own senior photo** as their featured photo.

We are doing this to make the senior photos in the yearbook more personal for each senior.

We do, however, still have a specific criteria for the senior photo that **MUST** be followed. They are:

- **Photos must be either “head and shoulders” or “waist up.”** Because of the size allotted for each photo in the yearbook, full body shots will not reproduce well on the senior pages.
- **Dress may be formal or casual but MUST adhere to the TAHS dress code.**
- **Please, no props, weapons, hats or unconventional angles.**
- We prefer that the photos be submitted electronically, but if that is not possible we will scan your original photos.
- For the baby/child photo, “head and shoulder” photos also work best because the size of these photos in the book are much smaller than the featured photos.

For students who do not plan to have professional senior photos taken, we will still offer to take senior formals at the school, free of charge, as we have done in the past.

These photos will be taken in school by *Moments Photography*. Moments will also offer a reasonably priced package for any senior who wants to purchase photos for themselves. Seniors are not obligated to purchase the package. More information on this will be made available soon.

We have set up a form that is available on the T ASD homepage and the *Eagle Eye* website page to upload the two senior photos electronically.

If you must send original photos, please **do not** send priceless baby pictures! Walmart or Walgreens can scan photos for you at low cost. If you do send us original photos, please label them on the back with the senior's name. All original photos will be returned to the senior student.

All digital photos should be submitted in .jpg format and as high quality as possible. Low quality images will not be included in the yearbook.

All photos must be turned in before the December 3 to make our publication deadline. We will reply when we receive your email. **If we don't reply within 5 business days, PLEASE CONTACT the yearbook adviser, Mr. Cammarata, at tfcammarata@tyrone.k12.pa.us**

SENIOR ADS

In addition to the two required photos, parents also have the option to purchase a **SENIOR AD** to honor their graduate. Information on senior ads is also included in this packet.

Hailey Weyer

Hailey Dawn,
I can still remember like it was yesterday, the day you were born. I did not know what to expect and how having a kid was going to change my life. I had just started to get my own life in order. But most importantly, I was wondering how good of a father I was going to be to you. From the first moment that I held you, I knew that you were going to be an amazing person. I just didn't know how amazing you truly were. Over the years watching you grow up, from helping you take your first steps to learning how to drive, you have continued to make me proud. It's a life that the parent is to teach the child. As much as I have taught you, you have taught me. He loves you very much. You are a young lady who has worked very hard. Next, you will be "off" to college and onto the next stage of your life. I will prepare you for this stage in your life, but as long as you remain the same devoted person you are today, I know you will excel in college and your future endeavors. Last but not least, I want to tell you that everyone in our family is truly proud of you and wish you nothing but the best. I know I may not have always been the perfect Dad, but just remember that I am always here for you. Love you Bub!

Love,
Dad
