Dear fourth grader,

I am writing this letter to encourage you for the PSSA. I think me encouraging you will give you more confidence for the PSSA.

Our class researched motivational quotes to help you on the PSSA. This is the quote that I found, "If you can't fly, then run, if you can't run, then walk, if you can't walk, then crawl, but whatever you do, you have to keep moving forward." This quote is from Martin Luther King Jr. This quote relates to the PSSA because the quote means if you try different things and if they don't work try try again and you have to do the same for the PSSA.

I know what it is like to be a fourth grader going into the PSSA. I hope this letter made you more confident. I know you will do great. Good luck!

Sincerely,

Shree

Dear Fellow 4th grader,

I'm writing you this letter to motivate you to do your best on the PSSA's that is coming up soon, I want to inform you to do your best and don't let the voice or others pull you down from doing your best!

My class researched motivational quotes to help you on the PSSA, and this is the one I found, "if people are doubting how far you can go, go so far that you can't hear them anymore." That was made by Michele Ruiz, I picked this quote because if people are saying that you can't go far then prove them wrong show them that you can overcome their hurtful words and show them you can do it! Another personal reason why I picked

this quote because there may be voices in your head that is bringing you down so you have to overcome them and do your best!

~~I know how you feel because we're class and 3rd grade are doing the PSSA's so you're not alone, don't worry I know you will do your best!~~

Sincerely,
Melina
